Dear Professor Pittendrigh,

Following your request to reproduce figures from two articles you have had published in *JBE* (Kirkpatrick et al, 2002; Corn et al, 2004) on the website you are building, I am happy to give you permission. This is on the condition that the figures are credited to *JBE* with a legend to the effect: "Taken from the Journal of Biological Education, copyright Institute of Biology, London", or similar.

Yours sincerely,

A handwritten signature in black ink, which appears to read "Simon Napper". The signature is fluid and cursive.
